Kevin Gordon to launch AICRE Calgary Office

Calgary, Alberta: Jan 10, 2021 - AICRE is pleased to announce the launch of its Calgary office and first Calgary partner Kevin Gordon. Kevin has over 20 years of experience in Calgary's commercial real estate market and specializes in office leasing and investment sales. *"I am thrilled to be joining AICRE and establishing the business in Calgary as we come out of a tough couple of years and look forward to help grow AICRE's Calgary team. Given Calgary's downtown vacancy rate, companies have significant opportunities to grow and/or save money in Calgary's office market. The staggering amount of vacancy (topping 30%) has created some of the best leasing and investment opportunities for Calgary based companies."* said Kevin Gordon.

Kevin Gordon has worked at various commercial real estate brokerages including Gordon Commercial Realty and Cypress Real Estate. His excellent negotiating skills, superior market knowledge and passion for commercial real estate consistently make him one of Calgary's top commercial agents.
